

Dr I.Sedighi
Professor of Pediatric Infectious Diseases

Department of Pediatrics, Faculty of Medicine, Hamedan University of
Medical Sciences, Hamedan, IR Iran

Personal Information

First Name: Iraj
Surname: Sedighi

Date Of Birth : 3-25-1969
Nationality : Iranian
Gender : Male

Address:
Pediatric Ward ,Besat Hospital , Hamedan, IR Iran
Tel: +98-8132640081, **Fax:** +98-8132640016,
E-mail: sedighi@umsha.ac.ir

❖ **Education**

Name of University	Location	Field & Degree	Date
Tehran University of Medical Sciences	Tehran	Board Certified in Pediatric Infectious Disease Specialty	October 2002 - September 2004

❖ Thesis

	Title	Score
Pediatric Infectious Disease Specialty	Evaluation of procalcitonin level in serum for differentiation between bacterial meningitis from non-bacterial meningitis in children admitted in MarkazTebbi Children Hospital, Tehran, Iran, 2002-2003	
Pediatrics Board	Study on the efficacy of recombinant hepatitis B vaccine in Iranian infants	

❖ Professional Society Memberships

- Iranian Pediatric Infectious Disease Society, 2005 to present.
- National (Iran)Committee of Immunization.
- National (Iran)Scientific Committee of Medical Students Olympiad.

❖ Employment Experience:

- Deputy of education in Ekbatan Hospital (Hamedan University of Medical Sciences)
- Deputy of education in Besat Hospital (Hamedan University of Medical Sciences)
- Head of Pediatric Ward 2 (Pediatric Infectious Disease Ward), Besat Hospital, Hamedan University of Medical Sciences
- Teaching Attending, Department of Pediatrics, Faculty of Medicine, Hamedan University of Medical Sciences,
- Member of Research Council of Hamedan University of Medical Sciences,
- Member of Health System Research Council of Hamedan University of Medical Sciences,
- Member of Research Council of Besat Hospital, Hamedan University of Medical Sciences,
- Member of Ethics Committee of EDC, Hamedan University of Medical Sciences,
- Member of Ethics Committee of Besat Hospital, Hamedan University of Medical Sciences,
- Member of Education Council of Besat Hospital, Hamedan University of Medical Sciences,
- Head of Hospital infection control Committee of Besat Hospital, Hamedan University of Medical Sciences

❖ Teaching experience

Course Title	College/University	Description	Date
Pediatric Infectious Diseases	Hamedan UMS	For students	2004 until now
Pediatric Infectious Diseases	Hamedan UMS	For Residents	2004 until now
Evidence Based Medicine Work shop	Hamedan UMS	Workshop For Faculty members and Residents	
Clinical Reasoning Work shop	Hamedan UMS	Workshop For students

- **And more than 20 other Seminars & Congress lectures (totally more than 50 Congress)**

❖ Thesis supervision & Research contribution

- Director of more than 26 in the last 14 years ago (As the result of these proposals and Thesis were published in journals and were shown above so I don't remember their again)

❖ Awards &Honors

- Ranking as a first One in national board of Pediatric Infectious Diseases (2004).
- Ranking as a third One in national exam of Pediatric.
- Favorited Clinical Researcher of University (Hamedan University of Medical Sciences).
- Favorited Researcher of medical school(Hamedan University of Medical Sciences).
- Favorited teacher of medical school for excellent education(Hamedan University of Medical Sciences).
- Favorited physician of Hamedan University of Medical Sciences.
- Favorited physician of Nahavand.
- Many awards for executive activities.

❖ Continues Medical Education

- More than 40 lectures and panel discussion presentations as CME programs.
