

**Mojgan Safari**

**Major: Clinical Medicine**

**Field: Allergy and Clinical Immunology,  
Pediatrics**

**Date: 2019 Nov 4**

**Name:** Mojgan Safari, MD  
**Citizenship:** Iran  
**Academic Rank:** Associate Professor  
Ebnesina University of Medical  
Science  
School of Medicine  
Department of Pediatrics .Division of  
Clinical Immunology and Allergy  
**Address:** Day Clinic, No: 15, Boali St,  
Hamadan, Iran  
**Tel:** +988132515544. Fax: +988132640016  
E-mail: mojgan.safari@umsha.ac.ir  
mo\_sfr@yahoo.com

#### **QUALIFICATIONS:**

**1986-1993:** M.D.  
Esfahan university of Medical Sciences, Esfahan / Iran

**1994-1997:** Specializing in Pediatrics,  
Department of Pediatrics, School of Medicine, Hamadan University of Medical  
Sciences, Hamadan / Iran

**2002-2005:** Subspecializing in Pediatric Clinical Immunology and Allergy.  
Division of Pediatric Clinical Immunology, Namazi Medical Center Hospital, School of  
Medicine, Shiraz University of Medical Sciences, Shiraz / Iran

#### **Thesis:**

1- General Medicine Thesis: Abdominal wall muscle weakness in thoracic  
Syringomyelia

2- Title of pediatric specialty Thesis: Results of Urine Tape Test in Hamadan City Students

3- Title of Allergy and Clinical Immunology subspecialty Thesis: Skin prick test results for cockroaches in asthmatic patients under 5 years

#### **UNIVERSITY APPOINTMENT:**

Assistant professor of Pediatrics Clinical Immunology and Allergy.2005-2015.

Associate professor of Pediatrics Clinical Immunology and Allergy 2016-now

#### **ADMINISTRATION:**

1- Vice chancellor for education of medical students in pediatrics

2-Member of Iranian Society of Asthma and Allergy

---

#### **TEACHING EXPERIENCES:**

1- Clinical Immunology and Allergy to Medical students

2- Advanced Clinical Immunology and Allergy to Pediatrics resident.

#### **RESEARCH EXPERIENCES:**

The research area includes allergy, primary immunodeficiency and pediatric rheumatology.

#### **Publication**

##### **Book:**

Comprehensive Guide to Integrated Healthy Baby Care, Ministry of Health and Medical Education.2014

#### **Articles**

## **Presentations**

### **Oral:**

1-Hospitalization due to drug reactions in Hamadan. International Asthma, Allergy and Immunology Congress.2010, Mashhad, Iran.

2- New insights into the treatment of asthma.8th biennial congress of Iranian society of Asthma and Allergy.2011, Shiraz, Iran.

3-A rare case of sensitivity to diazepam. 9th biennial congress of Iranian society of Asthma and Allergy.2013, Tehran, Iran.

4-Epithelium and ciliates and their importance in chronic rhinosinusitis. National Seminar of Iranian Association of Asthma and Allergy.2013, Tehran, Iran.

5-Pneumocystis pneumonia in immunocompromised patients. 8th international conference of immunodeficiency disorders.2014, Tehran, Iran.

6-Atopic Dermatitis. Asthma & Allergy Seminar ,West of Iran.2014,Sanandaj,Iran.

7-Asthma news. Seminar of Asthma and Allergy.2015,Kashan,Iran.

8- Non allergic rhinitis. 10th biennial congress of Iranian society of Asthma and Allergy.2015, Shiraz, Iran.

9-New aspect in asthma. 3rd international congress of immunology,asthma and allergy.2016,Mashad,Iran.

10-Chronic Urticaria. Annual Congress of Asthma and Allergy .2016,Shiraz,Iran.

11-CRTH2 antagonists and combinations of blockers of the 5-LO pathway. Annual Congress of Asthma and Allergy and the first conference on skin allergies.2017,Shiraz,Iran.

12-Abnormal facies in immunodeficiency diseases.International conference on primary immunodeficiency diseases.2017, Tehran, Iran.

13-Contact Dermatitis.11<sup>th</sup> biennial congress of Iranian society of Asthma and Allergy.2018,Yazd,Iran.

14-Evaluation of patients with recurrent infections and facial abnormalities.11<sup>th</sup> International conference on primary immunodeficiency diseases.2019, Tehran, Iran.

**Poster:**

1-Initial Intra venous gamaglobulin treatment failure in Kawasaki disease. The European Academy of Allergy and Clinical Immunology (EAACI) Congress.2004,Amsterdam, Netherlands.

2-ICF syndrome. The first International Congress On Immunodeficiency Diseases(ICID).2005,Tehran,Iran.

3- The Adverse Effects of high Dose IVIG therapy in Kawasaki Disease. The first International Congress On Immunodeficiency Diseases(ICID).2005,Tehran,Iran.

4- Synergistic effect of intravenous immunoglobulin and iodinated contrast media on renal function. The first International Congress On Immunodeficiency Diseases(ICID).2005,Tehran,Iran.

5-Neutropenia in primary immunodeficiency syndroms.5<sup>th</sup> Iranian Hematology and Oncology Congress.2005,Shiraz,Iran.

6-Frequent infections in genetic syndroms.17<sup>th</sup> International Congress on pediatrics.2005,Tehran,Iran.

7- Skin prick test to House Dust mites in Asthmatic patients in shiraz.2th Iranian Asthma Congress.2005,Tehran,Iran.

8- Clinical characteristics of childhood Asthma in shiraz. 2th Iranian Asthma Congress.2005,Tehran,Iran.

9-Distribution of allergens among allergic rhinitis patients living in shiraz region. 2th Iranian Asthma Congress.2005,Tehran,Iran.

10-Guillan – Barre syndrome with CNS involvement. The European Academy of Allergy and Clinical Immunology (EAACI) Congress. 2005, Munich ,Germany.

11-Foreign Body aspiration and clubbing. Respiratory diseases in pediatric surgery congress.2006, Tehran,Iran.

12- Foreign Body aspiration in a patient with asthma.Pediatric emergencies congress. 2006, Tehran,Iran.

13-Is house dust mite sensitivity a factor in chronic urticaria? Xxvi Congress of European Academy of Allergy and Clinical Immunology (EAACI).2007, Gothenburg, Sweden.

14- Evaluation of admitted pediatric patients due to adverse drug reactions.Congress of the European academy of allergology and clinical immunology.2011,Istanbul,Turkey.

15- A rare case of organophosphate poisoning by accidental injection of toxin. 25 international congrss of pediatrics. 2013, Tehran, Iran.

16-Incidence of Allergic Disorders in first Degree relatives of neonates with TTN. The second international congress of immunology, Asthma and Allergy. 2013, Tehran, Iran.

17-Acinetobacter Lowffi pneumonia in a patient with X-linked agammaglobulinemia. 10th biennial congress of Iranian society of Asthma and Allergy.2015, Shiraz, Iran.

18-Leukocyte adhesion deficiency syndrome type I-case report. 3rd international congree of immunology,asthma and allergy.2016, Mashad,Iran.

19-Ccckroach prick skin test in Iranian children under 5 years old with asthma. S Mojgan, A Reza, K Sara, A Soheila, N Hesamedin.2006;International Journal on Immunorehabilitation 8 (2), 27-27

20-Skin prick tests to house dust mite in allergic rhinitis patients and asthmatic patients in Shiraz-Iran. S Mojgan, HN Seyed 2006;International Journal on Immunorehabilitation 8 (1), 26-27

21-Cockroach hypersensitivity in asthmatic patients M Safari, R Amin2007;World Allergy Organization Journal

22-Is house dust mite sensitivity a factor in chronic urticaria? 1394.M Safari.2008;Allergy: European Journal of Allergy and Clinical Immunology 63 (88)

23-Prevalence of respiratory symptoms in confectioners: 1219.M Safari, F Yashar.2008;Allergy: European Journal of Allergy and Clinical Immunology 63 (88)

24-Urticaria as a late reaction to furazolidone M Safari, M Adibnejad, R Kahaei.2009;Allergy: European Journal of Allergy and Clinical Immunology 64

25-Obesity in asthmatic children in Iran, Hamedan.M Safari, M Torkashvan.2009;Allergy: European Journal of Allergy and Clinical Immunology 64

26-Frequency of risk factors of asthma in under 12 years old asthmatic children in Hamedan-Iran: 526.M Safari. 2010;Allergy: European Journal of Allergy and Clinical Immunology 65

27-Prevalence of sinusitis in under 12 years old asthmatic patients, Hamedan-Iran.M Safari.2010;Allergy: European Journal of Allergy and Clinical Immunology 65

28-Evaluation of admitted pediatric patients due to adverse drug reactions (including drug allergy) in Hamedan, Iran.M Safari, Z Zandian.2011;Allergy: European Journal of Allergy and Clinical Immunology 66, 254-255

29-Prevalence of positive autologous skin test in patients with chronic urticaria referred to Hamedan allergy clinic 2009-2010: 683.M Safari, H Sayemiri, M Hajiluee, M Jamshidi

2011;Allergy: European Journal of Allergy and Clinical Immunology 66

30-Prevalence of sensitisation to common allergens in a Iranian population with allergic rhinitis in Hamedan, Iran: 612.M Safari, M Zamani.2012;Allergy: European Journal of Allergy and Clinical Immunology 67

31-Frequency of Asthmas Signs and Symptoms in Hospitalized Infants with Severe Bronchiolitis in Hamedan Besat Hospital in 2010 after 6 Years..M Safari.2018;Iranian Journal of Allergy, Asthma & Immunology 17
