

**CURRICULUM VITAE**  
**Dr. Ebrahim Nadi, MD**

Date: Dec. 2019

❖ **Personal Background:**

*Name: Ebrahim Nadi*

*Date of Birth: 1961*

*Nationality: Iran.*

*Sex: Male*

*Marital Status: Married*

*Address: Respiratory Medicine Unit, Shaheed Beheshti Hospital, Hamadan, Iran*

*Tel: +98-8138380704*

*Fax: +98-81-38381035*

*E-mail: [nadi@umsha.ac.ir](mailto:nadi@umsha.ac.ir) & [ebrahim\\_nadi@yahoo.com](mailto:ebrahim_nadi@yahoo.com)*

❖ **Current Position:**

- *Professor of Medicine*

*Shaheed Beheshti Hospital, Faculty of Medicine,  
Hamadan University of Medical Sciences*

- *Member of National Board of Internal Medicine.*
- *Member of Internal Medicine Department.*
- *Head of Respiratory Medicine Unit, Shaheed Beheshti Hospital, Hamadan.*
- *Member of editorial team of Scientific Journal of Hamadan University of Medical Sciences. (2002-present, intermittently)*
- *Member of Anti-Tuberculosis Scientific Committee of Hamedan province, Iran.*

❖ **Previous Titles and Position:**

- *Research and Technology Vice-Chancellor of Hamadan University of Medical Sciences. (2005)*
- *Member of Hamadan University of Medical Sciences' Board of Trustees. (2011-2016)*
- *Head of Department of Internal Medicine, faculty of medicine, Hamadan university of medical sciences. (2001-2013, Intermittently)*

❖ **Education:**

- *Doctoral degree in Medicine, 1989, Hamadan University of Medical Sciences, Iran.*
- *Specialty degree in Internal Medicine, 1998, Isfahan University of Medical Sciences, Iran.*
- *Respiratory Medicine Fellowship, 2003, Shaheed Beheshti University of Medical Sciences, Masih Daneshvari Hospital, Tehran, Iran.*

❖ **Thesis:**

❖ **Activity & Teaching:**

- *1998 - Present: Pulmonary Consultations at Mobasher, Ekbatan & Shaheed Beheshti Hospitals.*
- *1998 - Present: Critical Care Service at Mobasher, Ekbatan & Shaheed Beheshti Hospitals.*
- *1998 - Present: General Medicine Rotation at Mobasher, Ekbatan & Shaheed Beheshti Hospitals.*
- *1998 - Present: Pulmonary Outpatient Clinic at Mobasher, Ekbatan & Shaheed Beheshti Hospitals.*

- **Medical Students:**
  - 1998 - Present: Instructor of pulmonary medicine seminar for Medical students at Mobasher, Ekbatan & Shaheed Beheshti Hospitals.
  - 1998 - Present: Preceptor of physical diagnosis course for medical students.
  - 1998 – Present: Examiner of physical diagnosis course for medical students.
  - 1998 -present: Instructor of respiratory diseases clinical seminar for medical students.
  - 1998-present: Preceptor of Physical Diagnosis and Pulmonary Pathophysiology courses for forth year medical students, School of Medicine, Hamadan University of Medical Sciences.
  - 1998-present: Supervisor or Advisor of 31 Medical Student Final Thesis.
  
- **Residents:**
  - 1998-present: Morning report discussant at Mobasher &Ekbatan & Shaheed Beheshti Hospital.
  - 1998-present: Internal Medicine & Pulmonary/ Critical Care Journal Club Discussion.
  - 1998-present: Teaching Attending at Department of Internal Medicine, School of Medicine, Hamadan University of Medical Sciences.
  - 1998-present: Supervisor or Advisor of 25 Residents Final Thesis.

❖ **Publication:**

**A. Papers**

1- Oxidative stress in COPD patients, smokers, and non-smokers.

H Tavilani, **E Nadi**, J Karimi, MT Goodarzi

Respiratory care, Dec.2012,Vol57(12), 2090-2094

2- Relationship between Helicobacter pylori infection and chronic obstructive pulmonary disease

SH Hashemi, **E Nadi**, M Hajilooi, MA Seif-Rabiei, U Roustaei

Acta Med Iran. 2011;49(11):721-4.

3- The prevalence of anticardiolipin antibody in patients with systemic lupus erythematosus and its association with clinical manifestations

Z Basiri, M Gholyaf, M Faridnia, **E Nadi**, M Bairanvand

Acta Med Iran. 2013;51(1):35-40

4- E-selectin S128R polymorphism leads to severe asthma

**E Nadi**, M Hajilooi, F Zeraati, M Ansari, S Tavana, SH Hashemi, A Rafiei

Iranian Journal of Allergy, Asthma and Immunology 2007.6(2):49-57.

5- Adenosine deaminase activity in COPD patients and healthy subjects

MT Goodarzi, M Abdi, H Tavilani, **E Nadi**, M Rashidi

Iranian Journal of Allergy, Asthma and Immunology 2010 Mar; 9 (1):7-12.

6- Evaluation of the metered-dose inhaler technique among healthcare providers

**E.Nadi**, F Zeraati

Acta Medica Iranica, 2005.43 (4): 268-272

7- Frequency of Nosocomial Pneumonia in ICUs of Hospitals of Hamadan University of Medical Sciences

**E Nadi**, B Nekouii, A Mobin, A Nekouii, B Moghimbeigi

Journal of Isfahan Medical School (IUMS) 29 (153), 1161-1168; 2011

8- Association of asthma severity with body mass index among adults

**E Nadi**, F Zeraati, M Ansari, S Tavana, M Fallah

*Acta Medica Iranica* 2007;45 (5), 383-388.

9- Thyroid tuberculosis presenting as a cystic nodule

SH Hashemi, **E Nadi**. *Iranian Journal of Medical Sciences (IJMS)* 2006; 31 (1), 53-55

10- Assay of IL-22 and IL-25 in serum, whole blood, and peripheral blood mononuclear cell cultures of patients with severe asthma. **E Nadi**, M Arjipour, S Sharifi, A Zamani

*Allergologia et immunopathologia* 2013; 42 (5), 402-406

11- Seroprevalence of *Bordetella pertussis* antibody in pregnant women in Iran

SH Hashemi, M Zamani, M Mamani, R Javedanpoor, AH Rahighi, **E Nadi**

*Journal of research in health sciences* 2013; 14 (2), 128-131

12- Platelet endothelial cell adhesion molecule-1 polymorphism in patients with bronchial asthma

**E Nadi**, M Hajilooi, D Babakhani, A Rafiei

*Iranian Journal of Allergy, Asthma and Immunology* 2013; 11 (4), 276-281

13- Effect of vitamin C administration on leukocyte vitamin C level and severity of bronchial asthma

**E Nadi**, F Tavakoli, F Zeraati, MT Goodarzi, SH Hashemi

*Acta Medica Iranica* 2011; 50 (4), 233-238

14- Screening for tuberculosis among patients with chronic Psychiatric Disorders in Hamadan.

SH Hashemi, M Mamani, S Jamal-Omidi, A Ghaleiha, **E Nadi**, F Keramat

*Archives of Clinical Infectious Diseases* 2009; 4 (1), 31-34

15- Specific gravity of pleural fluid determined by refractometer to discriminate exudates and transudates.

S Tavana, H Tavakoli, M Hashemzadeh, **E Nadi**

*Research Journal of Medical Sciences* 2006; 3 (3), 91-94

16- Assessing of dialysis adequacy in patients under hemodialysis in dialysis department of Ekbatan Hospital in Hamadan

**E Nadi**, S Bashirian, M Khosravi; 2003

*Scientific Journal of Hamedan University of Medical Sciences.*

17- Soluble L-Selectin as an Independent Biomarker of Bronchial Asthma

**E Nadi**, M Hajilooi, S Pajouhan, M Haidari

*Journal of clinical laboratory analysis* 2014; 29 (3), 191-197

18- Evaluation of the Etiology of Nosocomial Pneumonia in the ICUs of the Teaching Hospitals of Hamadan University of Medical Sciences

**E Nadi**, B Nekoie, AR Mobaien, A Moghimbeigi, A Nekoie

*Scientific J. of Hamadan University of Medical Sciences.* 2012; 18 (1), 26-32

19- Evaluation of the rate of correct use of a metered dose inhaler in patients with obstructive lung disease in Ekbatan Hospital of Hamedan.

**E Nadi**, F Zeraati; 2002.

*Scientific J. of Hamadan University of Medical Sciences.*

20- The Prevalence of the Alpha-1 Antitrypsin Deficiency in Patients with Chronic Obstructive Pulmonary Disease.

**E Nadi**. *Qom University of Medical Sciences Journal* 2012; 5 (1)

21- Comparison of adenosine deaminase serum level in COPD patients and healthy subjects

M Abdi, MT Ghodarzi, H Tavilani, **E Nadi**, M Karimi

*Iranian Journal of Allergy, Asthma and Immunology* 2010; 9, 1-

22- The Evaluation of Relationship between Spirometric Disorders and Methyl methacrylate in Dental Laboratories Personnel

**E Nadi**, MJ Asari, A Zamanian

*Scientific J. of Hamadan University of Medical Sciences.2010.*

23-*Correlation between Joint Erosion and Clinical and Laboratory Findings in Rheumatoid Arthritis.*

Z Basiri, M BIRANVANDI, **E Nadi**, M Gholyaf, M Samet  
*Scientific J. of Hamadan University of Medical Sciences.*

24- *Comparison of the effect of broncodiatory albotrol from spacer and nebulazor for treatment of Astmatic patients.*

Sasan tavana , **E.Nadi**, mostafa Ansari, fatemeh zeraati, hamid Hashemi, khosro Mani Kashani , mehdi Mavallat.*Yafteh*2007,9 (1), 49-55

25- *Comparison of Inhibitory Effect of Gripe Mixture and Caraway Mixture on Acetylcholine Induced Spasm in Rat jejunum.*F Zeraati, SM Malakuti, M Araghchian, N Sheikh, **E NADI** ,2003

26-*Evaluation of Digoxin Serum Level in Hospitalized Patients at Hamadan Ekbatan Hospital*

F Zeraati, M Gharakhani, **E Nadi**, M Araghchian, PDMJ Asari, MH Farjoo,  
*Scientific Journal of Hamadan Nursing & Midwifery Faculty*19(2), 31-41

27-*Homocystein Level and Total Antioxidant Capacity in Chronic Obstructive Pulmonary Disease*

MS Shirakdehi, M Rezaei, **E Nadi**, H Mahjoub, MT Goodarzi  
*Medical Laboratory Journal* 8 (1), 14-21

28-*Relationship between Helicobacter pylori infection and chronic obstructive pulmonary disease.*

SH Hashemi, **E Nadi**, M Hajilooi, MA Seif-Rabiei, U Roustaei  
*Acta Medica Iranica* 49 (11), 721-724

29- *Final Test Analysis of Post Graduate Medical Residents.*Arab M,Davaloo SH, Nasrolahi SH, **E.Nadi**, Emdadi M,*Journal of Medical Education.*7(2) Summer 2005

30- *Single Dose Steroid Injection on Plasma Cortisol Levels.*

Rezvanian H, **Nadi E**, Zeraati F,*Research in Medical Sciences Journal of Isfahan*,Vol.4,No.2-3,Sum.-Aut.1999

31- *Assessment of cardiac troponin I in patients with pulmonary emboli and its relationship with right ventricular dysfunction.*Tavana S, Panahi Y, Saed Moucheshi N, Beiraghdar F, **Nadi E**, Ala Sh, Mazanderan J. Volume 19, Number 70 (May 2009).

32- *Evaluation of the Pathophysiologic Final Examination Results. Tahavol&Tosea in Medical Education.*

Zeraati F, **Nadi E**, Fallah M.2008,Vol.1,No.1

33-*High Seroprevalence of Bordetella pertussis in Patients with Chronic Obstructive Pulmonary Disease: A Case-Control Study.*SH Hashemi, **E Nadi**, M Hajilooi, MA Seif-Rabiei, A Samaei*Tanaffos J.*14 (3), 172

34-*The Histopathologic Pattern of Primary Pulmonary Malignant Tumor Incidence in Hamadan Province from 2005-2015.*

F Nadi, A Dehghan, J Pourolajal, **E Nadi**.*Scientific Journal of Hamadan University of Medical Sciences* 23 (1), 24-32

35- *Study of inflammatory markers in chronic obstructive pulmonary disease patients.*M Asadi Shirakdehi, M Rezaei, **E Nadi**, AS Tootoonchi, H Mahjoub,*URMIA MEDICAL JOURNAL* 23 (6), 584-590

36-*The assessment of 25-OH vitamin D serum level in asthmatic patients: a case-control study.*

MR Sharanjani, **E Nadi**, M Vasheghani, M Jafari,*J Poorolajal. Avicenna J of Medcal Biochemistry.*2017Dec;5(2):65-69.

37-*Is the relationship between 25(OH)Vitamin D and COPD.* F Divani,A Zahedi, M Vasheghani, **E Nadi** , M Jafari,*J Poorolajal ,M Faryadres.*Avicenna J of Medcal Biochemistry.2017Dec;5(2):87-91.

38-*The Status of Implementing Medical student's Clinical Training Programs in different departments at Shahid Beheshti Hospital of Hamadan University of Medical Sciences.* Nadi F, **Nadi E**, Ahmadinia H. *DSME*. 2019; 6 (2) :63-74

39- *Evaluation of the prevalence of depression in the COPD patients in Hamadan in 2018.*F Nadi,M Ahmadpanah,N Karimi, **E Nadi**. *Avicenna J of Clinical Medicine*.No89,Vol.25,Issue3,Automne 2018,Pages:170-176.

40-*Comparison of T cell Immunoglobulin and Mucin domain (TIM) gene polymorphism in asthmatic and normal subjects.* **E Nadi**&. (Submitted)

• **the Books:**

*Goodman & Gilman's: The Pharmacological Basis of ..(Translation ).*

❖ **Awards and Honors:**

- *Third rank in the Iranian National Board of Internal Medicine Examiners, 1998*
