CURRICULUM VITAE

❖ Personal Background:

Name: Reyhane

Date of Birth: 1985/09/10

Nationality: Iran

Sex: female

Marital Status: Married

Address: Farshchian Hospital

Tel:

Fax:

E-mail: Dr.reyhana64@gmail.com

❖ Current Position:

Assistant professor of nuclear medicine

❖ Education:

- *Medical doctor from Shahid Beheshti Medical University*
- *Nuclear medicine specialist from Shahid Beheshti Medical University*

❖ Thesis:

The effect of simulated motion artifacts on perfusion and systolic parameters of left ventricle in SPECT myocardial perfusion imaging

Activity & Teaching:

1. *Assistant professor of nuclear medicine in University of Medical Science of Hamedan*

❖ **Publication:**

A. Papers

- *R Ahmadi, M Qutbi - Journal of Nuclear Cardiology, 2021, Profound gating error and flattened time-volume curve from inefficient triggering from improper setting of ECG leads in myocardial perfusion SPECT*
- *Mohsen Qutbi, Mehdi Soltanshahi, Farideh Farokhi Moghadam, Fahime Lamei Ramandi, Fatemeh Kaghazchi, Reyhane Ahmadi, Polarity status of trigger signal during ECG-gating affects parameters of LV function in gated myocardial perfusion SPECT*
- *Abbas Yousefi-Koma, Reyhane Ahmadi, Saba Karami Gorzi, Yaser Shiravand, Mohsen Qutbi, Isolated aplasia of submandibular salivary gland and contralateral prominence of submandibular and sublingual salivary glands incidentally found on 68Ga-prostate-specific membrane antigen positron emission tomography-computed tomography*
- *M Qutbi, R Ahmadi - Clinical nuclear medicine, 2019 - europepmc.org, Pericholecystic Rim Sign and Gallbladder Nonvisualization Indicating Acute Gangrenous Cholecystitis on 99mTc-MIBI Myocardial Perfusion SPECT.*

❖ **Awards and Honors:**

- *First Board certified in nuclear medicine*
- *First place in painting competition*
